Jobteam

What do we do?

Jobteam Successes?

- > 68% positive outflow after jobteam project
- > Broadly supported: + long-term vision
- > Wide reach despite coronavirus
- > Approach (intensive, incentivising, outreaching and tailored, accessible) works!

Jobteam Challenges?

- > Vulnerable group: the need for support remains
- > The labour market keeps changing
- > Sustainable employment?
- > Labour shortage/period of boom
